

LAGO VISTA HIGH SCHOOL VIKING BAND

LAGO VISTA, TEXAS

July 1, 2020

Greetings, Viking Band!

I hope that you all are enjoying your summer break and have had an opportunity to rest up and spend quality time with your family. I know these are unprecedented times, but I have no doubt in the human spirit that we will get through this together.

I want to reassure you all that we have been working diligently behind the scenes to plan for the upcoming marching season and the school year. While I understand there are many questions and concerns as the school year approaches, I want you to know that we continue to plan and make adjustments as necessary to ensure we are able to do what we need to do while keeping your safety the top priority.

There will be many changes and adjustments that we will enact as we begin practicing this summer. I ask for your understanding and flexibility as we implement these new changes, and please understand that many of the changes are required from the state level to ensure your safety and those around you.

We will begin our summer practice with full high school band on Monday, July 27th at 8:00am. Please review the summer schedule below and ensure you are able to attend all of our practice times. These practice times will be important in order to get a strong head start before our unique school year begins.

----	---------------------------------------	--

We will communicate this schedule as more information comes from the state.

I will begin updating the website weekly. Please check it each Monday for the most up-to-date information – www.lagovistabands.com! If you have not added us on Facebook, please join the “Lago Vista Band Boosters” group.

Over the next couple of weeks, you will no doubt begin hearing many different scenarios or decisions on the news and social media. I will continue working with our district administration and follow their recommendations as to what is best for our community. I ask that you refer to our website for all information regarding the Viking Band as some decisions may differ from the various programs on our campus.

We miss each and every one of you and hope you are healthy and happy. We look forward to seeing you all back in just a few short weeks. Until then, be safe and wash your hands!
